

Hannah More Primary School Newsletter

22nd March 2024

Hello everyone

It has been a busy week at Hannah More. The Year 5 children went on the famous Hannah More Cadbury World trip. I have heard exciting adventures of chocolate, roller coasters and 4D cinemas. I am yet to have my delivery of chocolate! Year 4 went to the newly refurbished Bristol Beacon with many other Bristol schools to see an orchestra play.

Staff changes in Term 5

I would like to wish Miss Mahmood well as she is leaving us at the end of the week to go on adoption leave. Miss Mahmood will be adopting her second child and we all hope she enjoys this special time. Congratulations are also in order for Mr Cook who will be taking a secondment at the beginning of Term 6 to be Deputy Head at Whitehall primary. He will be taking over in Year 6 for Term 5 to guide the Year 6 children through their SATs. Miss Wilkins will be taking over in Y5 Owl class for Term 5 and 6. We have appointed Mr Adams to take over in Y4 Swallow.

Kestrel – Mr Cook

Owl (Y5) – Miss Wilkins

Swallow (Y4) – Mr Adams

Parents' Voice

I hope that many of you will join us on Monday for the Parents' Voice meeting. Although I get to see parents on the gate, it is always good to have longer conversations about areas that are going well or might need to improve. The meeting will be in the community room from 14.30. The focus will be on playground and learning behaviour.

As we go into the final week there will be lots going on. The Year 1 parents have been busy helping Year 1 prepare their costumes and props and I am looking forward to the big performance. **Don't forget that it is only a four-day week next week as school finishes on Thursday.**

Have a restful weekend.

Mr Hawkins

SUPERKIDS!

Gruffalo: Freddie

BFG: Anas

Woodpecker: Oscar

Swift: Ridwan and Ridwan

Owl: Abdulqader

Kestrel: Kevisha and Abdulrauf

CLASS NEWS

YEAR 1 This week we wrote non-chronological reports about the aliens we created last week. As mathematicians, we found 1 more and 1 less, and developed an understanding of how consecutive numbers have a difference of 1. We also spent lots of time practising for our performance which is next Thursday at 2pm. Please ensure your child knows their lines and the line before theirs so they know when to speak. Also, please make sure their costumes are in school on Monday.

Year 2 Year 2 learnt about non-chronological reports this week as authors. In maths, we compared volume and capacity and explored Concorde as historians. Please read with your child 5 times a week. Use Bug Club - ask your teacher if you have forgotten your login. Practise your 2, 5 and 10 times tables including doing them out of order.

YEAR 3 This week, as author writers we wrote a narrative to retell the Roman diary from another perspective. In enquiry, we planned our sentences for the podcast that we will be making next week. In maths, we continued to look at fractions. Please read with your child at least 3 times a week and ask them questions about their reading. Please complete the homework sheet.

Year 4 As engineers, Year 4 designed and created their own musical instruments out of cardboard and elastic bands. We will be playing and evaluating them next week too. We had an exciting trip to the Bristol Beacon to watch the Bournemouth Symphony Orchestra and the children were so sensible on the walk there and back. At home, put each spelling word into a sentence that makes sense in your homework book. Please read with your child at least 3 times a week. Practise your 9 times tables including division facts and doing them out of order.

YEAR 5 In maths this week, we calculated the volume of cuboids as well as learning about cube numbers. As authors, we explored, planned and began writing an explanation text about how chocolate is made. In enquiry, we learnt about thermal conductors and insulators. At home, ask your child to explain how chocolate is made.

Year 6 Year 6 were busy creating magnificent Greek theatre masks using clay. They also wrote exciting newspaper reports about mighty Odysseus slaying Penelope's suitors. At home, practise SATs style questions.

PTA Spring CRAFTERNOON

THURSDAY 28TH MARCH
