

Hello everyone

This week we opened our doors to lots and lots of visitors! Yesterday we said 'thank you' to many of our wonderful volunteers, at a special assembly. We thanked reading buddies and number partners, gardening volunteers, classroom helpers, parent volunteers and even a special volunteer who helps us by walking to swimming lessons with teachers and children. Some of our volunteers have been helping us for more than ten years - we are very grateful.

Today we also celebrated the culmination of a year 6 project. Children have spent the week designing creative schemes for the Lawrence Hill roundabout and today they presented their designs to a team of experts. This was a very special opportunity, offered to us by the Architecture Centre's Generation Place Summer School. Thank you to everyone - volunteers, experts, staff, visitors and children - for getting involved.

Next week there are still lots of events in school, including the ever-popular 'Hannah More's Got Talent' and our wet and watery SPLASH DAY. Please make sure you are aware of dates - and please come along if you can.

Have a lovely weekend,

Sue Ramsay,

Head teacher

## Last day of term is:

## Tuesday 24 July

Reception: Osman and Mushtaq

Year 1: Husnain and Hajara

Year 2: Binta and Dirshe

Year 3: Salma and Iqlas

Year 4: Abdullrizak and Morino

Year 5: Siham and Abdimajiid

Year 6: Farhiya and Denny

## Prizes to be won!

To enter, you need to read a book and then choose a setting in the book to visit in your imagination. Then, you need to write a letter back to your teacher. For example:

*"Dear Mrs Sessions. Would you believe it? I am in Narnia! The weather is very wintry and snowy (which makes a change from the hot weather in Bristol) but luckily I have a big fur coat on. Mr Tumnus's house is so sweet and he was really friendly! I enjoyed the boiled eggs and cake, but I do not like sardines!"*

Return your letter to school in an envelope in September - or you can post it to Mrs Sessions at school if you want!

## FELIX ROAD ADVENTURE PLAYGROUND

**Felix Road are proud to announce our fun packed summer programme!**

**The programme starts on Sunday 22nd July and continues throughout the 6 weeks holiday. Check out their facebook page for full information and time table of activities.**

## Competition time!

This summer 'Gromit Unleashed 2' has hit the streets of Bristol. Discover over 60 giant sculptures each designed by a different artist. We even have our own competition! For a chance to win a mini solar-powered Gromit, all you need to do is tell us **where** in Bristol the sculpture below is (hint - it's very near school!) and **two other places nearby that you can find Gromit sculptures.**

Give your answer in to the school office or email it to **[ruth.cochran@bristol-schools.uk](mailto:ruth.cochran@bristol-schools.uk)** by Monday 6.00pm.

This Gromit can be found .....

# What have we been learning?

**Reception....** Our butterflies hatched from their cocoons! We released the butterflies outside so that they could lay more eggs on leaves to complete the circle of life! We also learnt the story of 'The Wizard of Oz' and then created our own magical lands. **At home, please count up in different ways. Count up in 2s (e.g. 2, 4, 6) and in 10s (e.g. 10, 20, 30, 40).**

**Year 1...** We have been designing and making fantastic non-fiction books about seasons. For 'Arts Week' we had fun doing Frieda Kahlo self-portraits and war drawings. For Music we sang a war medley and pretended to be Charlie Chaplin in Drama. We are also busy practising for Hannah More's Talent Show! Please come and see us perform on Tuesday. **At home, ask your child to show you their Charlie Chaplin impression!**

**Year 4...** We have been busy with assessments this week, showing off all we have learned this year. Our art week has been based all around the 1970s this week and we worked hard to paint pictures in the style of David Hockney! **At home, please practise all the times table facts ready for year 5!**

**Year 2...** This week was Arts Week! We enjoyed painting and learning about the artist Joan Miro. In English, we have been writing a newspaper report about 'The Curious Garden'. **At home, look at the maths and SPAG challenge that children have been set for the holidays.**

**Year 3...** This week we wrote 'defeating the beast' stories. We carried out assessments in maths. For arts week, we made portraits, created Pop Art and acted in a 1960s TV commercial. **At home, please ask your child their three favourite learning moments from the year.**

**Year 5...** This week has been Arts week! We have been looking at artists who were successful during the 1980s, including Keith Haring, Andy Goldsworthy and the artistic style of Zentangle. It has been a fantastically creative week and we have some very positive outcomes. **At home, please listen to your child read every day and ask them questions about their reading.**

**Year 6...** This week has been architecture week! We have engaged all week with different professions linked to our challenge to re-design the Lawrence Hill roundabout – we heard from landscape architects, urban designers and civil engineers. Through the week, we practised our leavers performance on stage ready for next week! **Please ensure your child knows their lines and the song lyrics ready for next week!**
