

# Thursday – le, al or el?

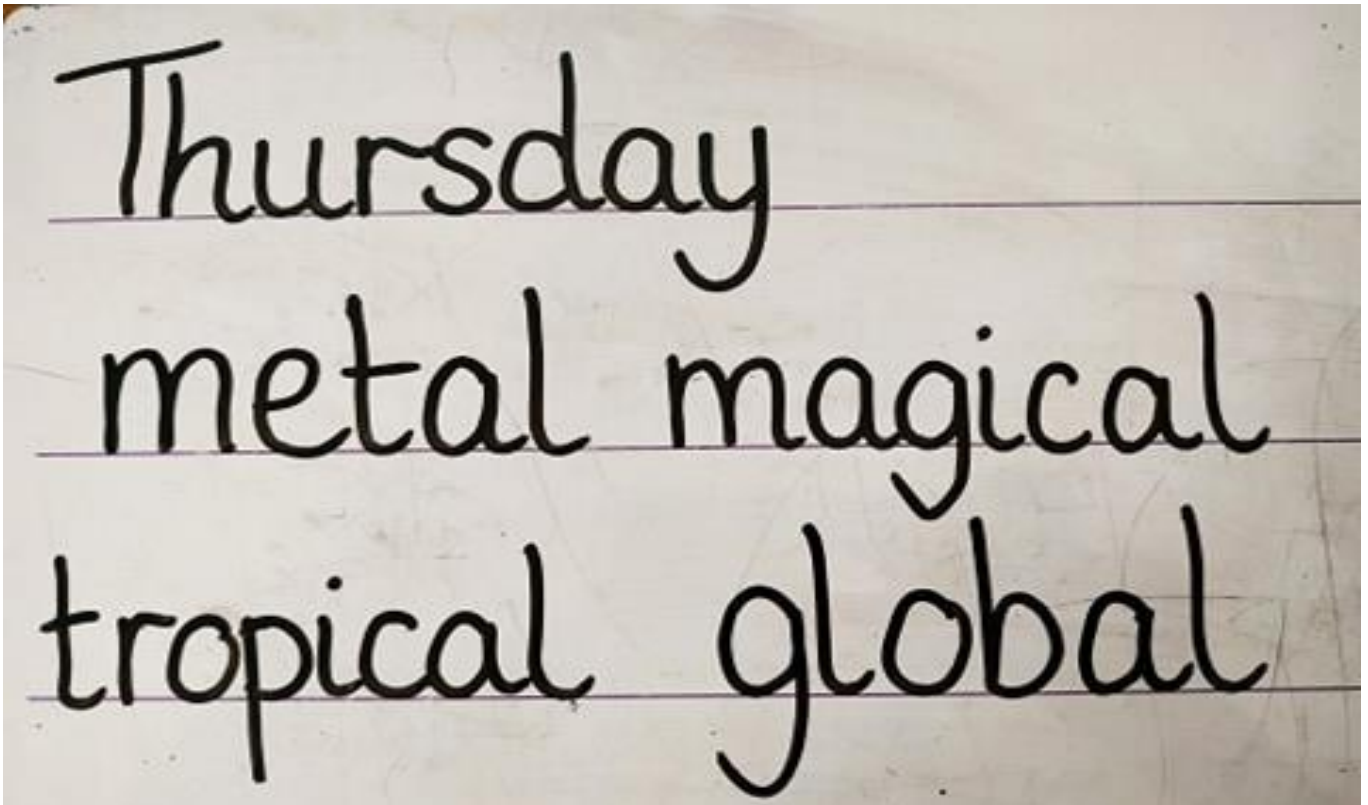

## When to use al

Rule: -al is a suffix and normally this al is used at the end of words that are **adjectives**

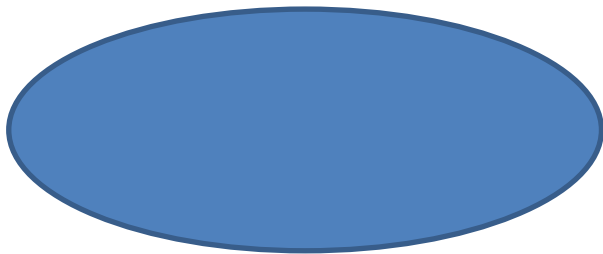

For example: the **metal** tin, the **magical** wizard, the **tropical** rainforest

There are some exceptions where it is used for nouns such as hospital or animal.

Words to copy – Remember to repeat each word right across the line in neatest handwriting!

★ Can you work out the words shown by these pictures and use the correct le to spell them correctly?
