

Hannah More Primary School Newsletter

15 December 2023

Hello everyone,

We have reached the end of another term. There has been a wonderful community feeling around the school this week. Jazz has finished the Bus boycott mural in the community room, parents have been in to watch the Year 5 performance and the school choir performed in front of 600 people at St Mary Redcliffe church. As is so often the case here at Hannah More, I feel honoured to be part of such a wonderful group of people. I love to see the children feeling inspired and grasping every opportunity.

I am sad to say that we are saying farewell to our lunchtime leader, Ifrah, who is extending her current hours as a TA at Easton school. Ifrah has spent 5 years at Hannah More and I know that she has a strong bond with the adults that she works with and the children of the school. Ifrah has done a fantastic job. Working at lunchtimes in any school is challenging. Children need to release their energy at lunchtime and trying to manage the whole school outside is not an easy task. I want to thank Ifrah for everything and wish her well for the future.

In assembly today, we shared the work that one of our Mums, Huimyeong, has been doing with the SS Great Britain. She has written a children's book about a child's voyage on the ship. Follow the link below to watch a video about the story:

<https://www.ssgreatbritain.org/my-first-voyage/>

Many parents have spoken about homework club. I am pleased to announce that homework club will be starting again in week 2 of Term 3. There will be a KS2 homework club and a KS1 homework club, both on a Thursday from 3.15 – 4.15. Parents need to come with children. If you find it tricky doing homework with children, teachers can support you and your children to work through it.

We will be having parent meetings:

Tuesday 9th January

Wednesday 10th January

The class teachers will be booking appointments as soon as we get back after the holidays.

Can I thank everyone for their help and support this term. Have a restful and relaxing two weeks. If you are celebrating Christmas, enjoy the festivities. See you all in 2024.

CLASS NEWS

YEAR 1

As mathematicians, we learnt to name and sort 2D shapes. As authors, we wrote our own poems using 'The Sound Collector'. We collected sounds from around the school and used these to describe the noises we hear in the school. Enjoy a lovely break together!

Year 2

This week Year 2 learnt about 3D shapes. We were also artists and created our own pop art style masterpieces! We also learnt about the Christmas story and enjoyed some festive activities. Please read with your child 5 times a week. Practise number bonds to 10 and 20. Practise counting in 2s, 3s and 5s.

YEAR 3

This week Year 3 published their non-chronological reports on earthquakes and volcanoes. They were also exceptional poets this week and wrote two different types of poems. In maths, they were amazing at learning their 2, 4 and 8 times tables, as well as learning how to divide by them! Please read with your child 3 times a week at home. Please make sure your child does the homework sheet.

Year 4

Year 4 enjoyed their last swimming session and loved playing with their floats and going down the water slide! As authors we edited and published our amazing Roald Dahl inspired stories. As mathematicians we divided by 10 and 100 as well as using related facts such as 6×4 and 600×4 . Please read with your child at least 3 times a week. Can you practise multiplying and dividing by 10 and 100 during the holidays? Could you write another Roald Dahl inspired story?

YEAR 5

We've done it! Our performance of 'Sleeping Beauty: The Ugly Truth' was a huge success thanks to the effort and determination of all our children. We hope you enjoyed it! As well as this, we completed our maths work for 2023, using short division to divide three-digit numbers with remainders. Make sure your children get rest and relaxation over the holidays, ready for busy 2024!

Year 6

Year 6 were busy preparing their museum for parent and carers to visit on Friday. We created observational drawings of organs, writing and publishing explanation texts, and prepared our tour guide scripts! At home please remember to read over the Christmas break!
