

Hannah More Primary School Newsletter

21st April 2023

Hello

Eid Mubarak to all of our families that are celebrating Eid ul Fitr today or tomorrow. The atmosphere has been great in school this week as many children have been looking forward to the end of Ramadan and the Eid celebrations. We will be having Eid parties in class on Tuesday afternoon and would welcome any food that children can bring to share. I hope that everyone celebrating has a wonderful time with friends and family.

Hopefully you have all received your MarvellousMe codes and have managed to login. The app will allow us to share some of the amazing learning that children have been getting in school. Children can earn house points in the form of a thumbs up. They will get virtual badges related to our school values or class targets. You will get a message on your phone to share the badge and the reason why your child has earned it. Also, each week the teachers will send you a MarvellousMe postcard. This will come to your phone and you will be able to see pictures of the learning.

On Monday the extended day will start. Each Monday between now and the end of the year, children will all attend a club with one of the members of staff. There will be sport clubs, language clubs, art clubs and music clubs. This will give every child in the school the opportunity to do an extra-curricular club, working with different children and new adults from the school. The clubs will start at 2.45 and finish at 3.45. **Children will finish at 3.45 on a Monday in Term 5 and 6.**

I am sorry that we have to close classes for two further Strike days. The school community has been supportive and I want everyone to know that teachers wouldn't strike and miss work if they felt the government was being fair. It is about funding for schools as much as pay for teachers and staff.

There has been a glimmer of Spring this week and the children have all made a great start to the term. I hope that everybody has a great weekend.
