

Hello everyone

Welcome back to school for term 2, I hope you had a good break.

This week in school we have had a special focus on anti-bullying. There have been some great activities in classes - such as creating anti-bullying mottos - as well as special circle time discussions. You can read more about this on the class news page - and please ask your child about this as well.

After school clubs also started this week and it was lovely to see children involved in sports and crafts, getting ready for bee club and enjoying coding with University volunteers. Next week cooking will start on Monday and we will start our homework clubs as well. Key Stage 1 homework club will run in the community room and children need an adult to come with them. Key Stage 2 homework club will be in the hall and we are delighted that Bristol University volunteers will be helping us with this. This is an ideal opportunity for children to make a start on their weekly homework and get some support and encouragement as well.

There is already something special to celebrate this term. Well done to our award-winning breakfast club for scooping another prize from Kellogg's! Kortni, Tia and Hassan H will be going to London with school staff to collect our award and £1,000 prize money next month. You can read more about this online (just google 'Kellogg's Awards 2017').

Best wishes

Sue Ramsay, Headteacher

Thank you Wates for this load of old wood... but what could it be for? Check it out on twitter!

THANK YOU

Year 1: Mohid and Attika

Year 2: Nagie and Siham

Year 3: Yonis and Tia

Year 4: Abdullrizak and Amira

Year 5: Mohamed N & Mohamed A

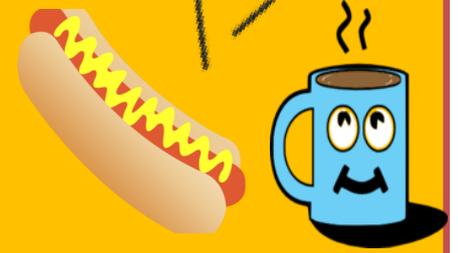

Year 6: Oumou and Josh

# BONFIRE NIGHT

Monday 6th November 5.30pm - 7pm

Come along and enjoy our Big Bonfire Night party with sparklers hot chocolate

and hot dogs! Free entry, £1 for a hotdog and a drink!

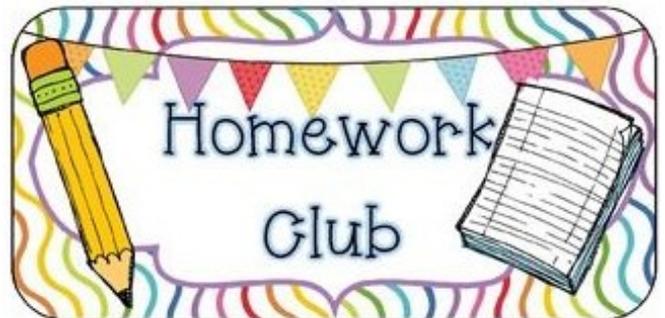

Once again, Hannah More has been recognised for its fantastic Breakfast Club!

The Breakfast Club has won the Kellogg's;

**"Best Breakfast Club award in**

There will be a photographer at Breakfast club on Monday so please make sure your school uniform is looking smart !

## GREAT NEWS!

Homework club will start on Thursday 9 November.

Year 1 and 2 - Community Room

**Year 3-6 - Main Hall**

**3:15pm - 4:00pm**

If you have any old trousers/shorts/skirts that would be suitable to use as spare clothes in the Reception classes (size 4yrs - 6yrs), donations would be much appreciated!

The Bristol Family Cycling Centre in Hengrove offer coaching sessions to help children improve bike skills and gain confidence in riding on the roads. Children can bring their own bike or use one of the Centres. Sessions take place Saturday mornings. Please speak to the office if you would like more information on how to book a place. Cost varies from £2.00 - £5.00 per session.

**SUNDAY 5TH NOVEMBER 1-5 PM**

# Diwali party

*Bollywood dancing*

*Drumming*

*Pottery workshop*

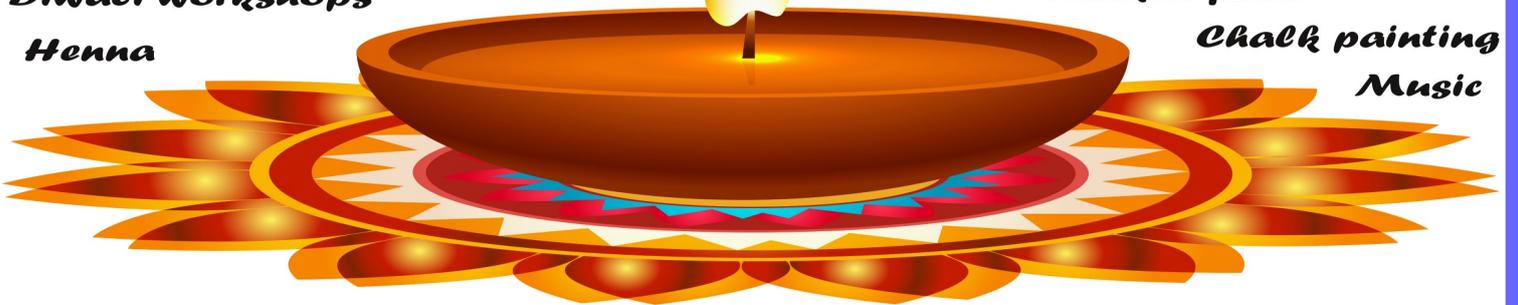

*Diwali workshops*

*Themed food*

*Henna*

*Chalk painting*

*Music*

**Felix Road Playground, Felix Road, Easton**

The new secondary school is currently in the pre-opening phase. Oasis Community Learning is working closely with Bristol City Council and the Education and Skills Funding Agency and they hope to announce further details about the Academy, including the location and opening date, in the very near future.

You can keep up-to-date by checking their new website and twitter:

# What have we been learning?

## Year 1

In numeracy we have been ordering numbers and making numbers with tens and ones. We also enjoyed creating firework art, ready for the special Bonfire Night! We have enjoyed special circle time sessions, where we have been talking about how we can be kind and caring friends to one another. *At home, please read with your child every day for 15 minutes, and ask questions about the characters and story.*

## Year 3

This week has been Anti-bullying week and Year 3 have been thinking about what makes them unique! In English, they have written their very own magic box poems and in Maths children have begun to use the column method to add three digit numbers.

*At home, please help your child to practise column addition.*

## Year 5

In Maths this week we have been learning how to read and draw line graphs. In English, we have been writing and performing poetry. *At home, please help your child to find examples of line graphs and timetables in real life.*

## Year 2

This week we have been learning to add two 2 digit numbers. In literacy we have enjoyed learning the poem 'The Owl and the Pussycat'. In topic we watched a brilliant puppet show about Rama and Sita. *Please make sure that your child learns this week's spellings ready for the test on Monday.*

## Year 4

This week Year 4 acted out scenes which represented our anti-bullying motto 'all different, all equal'. In English, they wrote their own Haiku, Tanka and Cinquain poems and in Maths they learned how to exchange when using the column method for addition and subtraction. *At home, please support your child to practise the column method for addition and subtraction.*

## Year 6

In maths, we learned about multiples, factors and prime numbers and improved our reasoning skills. We started a new book in English called Skellig and made predictions from different versions of the cover and then went to the school basement to read chapter 1! It's been anti-bullying week and we carried out a science investigation, making links to being all different and all equal. *Help at home by asking your child about the mental methods we have learnt this week!*
