2.

3.

Bar Chart to show popular crisp flavours

a) Cheese & Onion and Roast Chicken
b) Salt &Vinegar
c) Salt & Vinegar
d) Ready Salted and Marmite
e) Marmite
f) 50
g) Marmite

CHALLENGE:
a) I would advise Mohamed to check and change the scale he is using because the number of tickets sold goes up to 85. The scale on his Bar chart only goes up to 6.
b) I would suggest that going up in 5s or better still 10s.
c) Yes, the bar chart is missing the main title and the titles for each axis.
