LO: creative writing using adjectives.

Help! I've seen an alien!

★ Let's investigate some of the words and phrases that would help you to describe an alien to a friend if you ever saw one.

The Adjective Game:

Adjectives are used describe things (nouns): e.g.

The **fluffy, grey** cat slept on the **comfortable** sofa.

To make descriptions more powerful for a reader you can add adjectives to describe different nouns. Your challenge is to describe my alien friend below, using two adjectives. I have done one for you.

Remember, when you use two adjectives, you separate them using a **comma**.

The alien I saw had **fiery, oval** eyes.

Write some interesting adjectives to describe different bits of the alien.

The alien I saw had:

_____ , _____ horns

_____ , _____ teeth

_____ , _____ claws

_____ , _____ skin

_____ , _____ head

The 'Talk Like an Expert' game

Now let's invent some facts about aliens. Imagine you are world expert on aliens and you are answering the interview questions below. Make up one fact for each question.

- ★ Start your answers with one of these generalisers. These are words that sum up things e.g. *most, all, some, many, a few*. For example:

Most aliens like cheese.

Where do aliens go on holiday?

What do aliens like to do to relax?

How do aliens travel to work?

Why do aliens live alone?
