LO: to edit and publish my story

Today you can either spend time finishing your story (if you need more time) OR spend some time editing and then writing it out neatly. You can edit in green pencil (or any colour you have).

First, can you correct my sentence? **Can you up-level my sentence?**

marvalus mr monkey whent to steel the zoo keepers lunches (he liked to do this to make them cross

When you are editing your work go through this checklist:

- Read your work out loud
- Look for missing words
- Does it make sense?
- Are capital letters in the right place?
- Check full stops
- Can you up-level adjectives?
- Can you add a simile?

Publish

Write out your edited story neatly!
