Synonyms are words with similar meanings. Antonyms are words with opposite meanings. Copy the table below and in the last column write an 'S' beside pairs of words that are synonyms. Write an 'A' beside all the pairs that are antonyms.

Did you know that you can type a word into 'google' to find the definition!

	I	II	A/S
1.	slogans	sayings	
2.	impatience	endurance	
3.	decipher	solve	
4.	egress	entrance	
5.	convoluted	simple	
6.	mottled	spotted	
7.	embedded	fixed	
8.	dim	bright	

Now use the words from column I to fill in the blanks in these sentences. You only have to write the words. Do it like this:

1. = embedded

2. =

1. According to the legend, Arthur removed the sword that was _____ in the stone.
2. Once you _____ the code, you will be able to read the message.
3. In the _____ light, we were unable to read the menu.
4. Advertisers use clever _____ so that you will remember to buy their products.
5. Once the door was locked, no other _____ was possible.
6. The girl's skin was _____ with small red marks from the measles.
7. When the singer failed to appear on stage, the crowd showed their _____ by clapping and stamping their feet.
8. The _____ path winds around streams and boulders.
