

Hannah More Primary School Newsletter

6 October 2023

Hello everyone,

It has been another busy week. The children are feeling proud of their work and as I go around the school children want to show me pieces of work they have produced. Our Reception class have settled in well and when I went in one morning they were already blending their sounds to read. Learning the phonic sounds and becoming readers unlocks the key to being able to learn. I then see the progression when I am in year 6 and children are reading huge chapter books.

I talked in assembly today about the number of children we have had starting at Hannah More. Despite being one class smaller, our numbers are higher than they were this time last year. This is great news and part of my vision for the school is that we grow and eventually go back to having two classes in every year group.

Many of our new families are new to the city of Bristol and the country. The Hannah More community has a long history of welcoming families from all around the world. I know that our parent community will help and support those who might be new to the area and not know anybody yet. As a school we recognise that many of the children joining us speak little or no English and we are exploring ways to ensure that they have the best start with us.

Yesterday, I met with a man whose great grandfather lived in our school building. Rodney Drew, who is 84, has been tracing his family tree. He found a copy of the census from 1911 which shows his great grandparents living at Hannah More school. They would have probably lived in the West Tower next to the entrance gate and looked after the school. Rodney has offered to come and talk to the children about the history within our city.

The sun is forecast to shine over the weekend. Enjoy the time.

CLASS NEWS

YEAR 1

This week we learnt the poem 'Ten Things Found in a Wizard's Pocket'. As mathematicians, we thought about fewer, more and same. We also continued thinking about classifying animals. At home, please ensure your child writes their numbers correctly.

Year 2

This week Year 2 rehearsed for our performance. In English we did fantastic retells of the story 'The Tin Forest'. As mathematicians we looked at splitting numbers into tens and ones. Please read with your child 5 times a week. Practise counting forwards and backwards from 100. Practise writing numbers with your children.

YEAR 3

This week Year 3 looked at place value and were adding hundreds, tens and ones. We also had a visitor who came in and performed a shadow puppet show, hoping to inspire the children for their shadow puppet performance. In English, we published our own writing based on 'Leon and the Place Between'. Please read with your child 3 times a week at home. Please make sure they complete the homework sheet.

Year 4

Miss Evans and Miss Jones have been blown away by the focus and hard work this week. As mathematicians, we were busy rounding 4-digit numbers to the nearest ten, hundred and thousand. As authors we wrote, edited and published detailed news reports about our class book and even included quotations from interviews! Please read with your child at least 3 times a week. Practise 6 times tables with them or log onto TT Rockstars. Practise putting our spelling words into sentences.

YEAR 5

This week we were rounding decimals with hundredths to the nearest tenth and whole numbers, and have introduced thousandths as fractions. As writers we finished and published our new stories based on the novel 'Kick', while in our enquiry we delved deeper into Bristol's trading past and the triangle of trade. At home, ensure all children read for the regular 18 minutes, three days a week. Please record in homework books.

Year 6

Year 6 tackled some challenging long and short multiplication questions, as well as writing effective setting descriptions. In PE we perfected our cricket bowling skills and in enquiry we explored the different species in the Galapagos. At home please practise your 10 homework spellings ready for the test next Thursday.

What do I need to do to apply for a school place?

- Check the guidance on applying for schools – available at www.bristol.gov.uk/schooladmissions, or by contacting School Admissions. The guidance contains details on how & when to apply, information on each school along with their admissions policy and oversubscription criteria. With the mix of different types of school from Church schools, Foundation schools, Academies, Free Schools and Community schools the admissions policy could be different for each school you put as a preference so it's important to ensure you check this carefully.
- Some schools require supplementary forms to be completed as well as the common application form. Make sure you check if this applies to the school(s) you are interested in.
- Visit the schools. All schools hold open days. Contact the school directly for further details on open days.
- Look at the school's prospectus and its website which are useful sources of information.
- You can name up to three school preferences. We advise you to name more than one school.
- Make sure you apply on-time. The deadline is 15 January 2024.
