

Hello

It has been a busy last week at Hannah More. Today, We the Curious have been in school working with Reception, Year 1 and Year 5. They brought lots of exciting resources with them and the children will have been doing lots of Science related activities. The Year 4 performance was very well attended and the children sang their hearts out. We were all very proud!

I know that we have had a lot of sickness this term, but I am confident that we can improve attendance at Hannah More. As we go into another holiday, it is important to consider that there is a lot of time when we are not in school. This means that the time in school is precious and lost time can have a big impact. If your child cannot attend school because they are unwell, you must ring and let the school know why. Please try and get appointments out of school hours.

Mrs Simpkins, one of the Year 6 teachers, is finishing today ready to have her baby. She will be back after her maternity leave. We wish her all the very best at this very exciting time of life. I know the children are going to miss her. Miss Mahmood will be taking over after February half term.

We are sad to be saying goodbye to Miss Evans in Year 4. She is leaving us for personal reasons and I know that she will be sorry to leave the school community. Miss Evans started here as a student and she has made many friends amongst the staff. She will be missed. We have a teacher starting in year 4 at Easter. In the meantime, Miss Wilkins and Miss Goldsack will be teaching in Swallow class during Term 4.

When we return after the break, the days will start to get lighter and Spring won't be far away. I hope that you all have a restful week and we look forward to seeing you in Term 4.

Mr Hawkins

LEARNING CHAMPIONS!

Year 1: Zakaria

Year 2: Maheen

Year 3: Sarva

Year 4: Yusuf and Munir

Year 5: Juelz

Year 6: Aghata and Samuel

WASS NEWS

YEAR 1

We had a really busy week in Year 1 this week. We painted our clay turtles in the style of Romero Britto and wrote out own stories about the turtles. In maths, we thought about different ways of splitting whole numbers into their parts. Please read with your child 5 times a week and record in the homework books. Practise writing some of the tricky words we learnt in phonics.

Year 2

We were busy writing a set of instructions 'How to make a pizza'. In maths, we learnt about doubling and halving. In enquiry we thought about doubling and halving. In enquiry, we thought about how we stay fit and healthy and how exercise affects our heart rate. Please read with your child 5 times a week and record in homework books. Practise your 2, 5 and 10 times table including out of order.

YEAR 3

This week we completed our big write and published as authors. We focused on a dangerous quest across the sea. We explored how to use verb, fronted adverbials and wrote as a character from our book. In maths, we continued our progress on measurements. In enquiry, we sketched and sculpted an Anglo-Saxon/Viking face! Please complete the homework sheet. Please read as much as possible at home. Have a well-earned rest!

Year 4

A superb effort from all members of Year 4 this term. The Year 4 team were so proud of the final performances of 'Paws and Claws'. The children's performing skills improved significantly over the term. This week, we finished our class text 'The Iron Man' and published our spooky tension stories which were based on our predictions for the end of the book. At home, put each spelling word into a sentence that makes sense in your homework book. Please read with your child at least 3 times a week. Practise your 7 times tables including division facts and doing them out of order.

YEAR 5

In maths, we began multiplying whole numbers by decimal fractions by (e.g. 3×0.03) and recognising the equivalence of multiplying by 0.1 and dividing by 10. As authors, we published our own ending to the Cosmic stories we began last week. As scientists we prepared, conducted and evaluated an investigation looking at the effect of air resistance. At home, read your book every day and get some rest as we head into the second half of the year!

Year 6

This week, Year 6 wrote action packed sequels to our text 'Floodlands', in which our villain returns for vengeance! As mathematicians we worked with decimals - rounding, adding and subtracting. At home please help your child read 3 times for 18 minutes each week.

BACK TO SCHOOL

MONDAY 19TH FEBRUARY

HOMework CLUB!

THURSDAYS 3:15-4:15PM
