Mrs W's Maths 11 ANSWERS
Multiplying 2-digits by 1-digit revision of written methods

1x4=4
2x4=8
3x4=12
4x4 = TRUCK

1
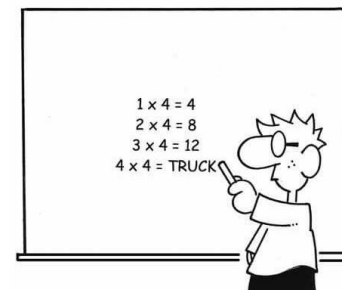

H	T	O
	3	7
×		4
2	8	(7 x 4)
1	2	0	(3 0 x 4)
1	4	8

Use this method to solve: 6 X 28

```
   2 8
 X   6
   4 8 (8 X 6)
 1 2 0 (20 X 6)
 1 6 8
```

2

H	T	O
	4	2
×		8
3	3	6
	1	

Use this method to solve: 3 X 27

```
   2 7
 X   3
   8 1
   2
```

Talk about these 2 different ways of working

3 Use written methods to complete these calculations

38 X 6 = 228

45 X 9 = 405

71 X 3 = 213

52 X 5 = 260

29 X 8 = 232

17 X 4 = 68

4 Challenge
Year 6 are selling tickets for a play.
Tickets cost £5.00 per person.
56 tickets have been sold so far.

a)   How much money have Year 6 made so far?   £280.00
b)   How many more tickets do they need to sell to make £400.00   24
