Here are some questions about the book you are currently reading:

1. What is the book and who is the author?
2. What genre would you say this book is?
3. Have a look at the above themes (remember these?), what themes do you notice in your book?
4. Have a go at writing your own book review about it, letting us know what you think.

You could lay it out like this (below) or in a different way that you choose.
