English

During schools closure, Mr Rossetti has worked hard to create a PE lesson for each year group every week and then film it!

Task 1

Your audience:

**Decide which Year group your PE lesson is aimed at** (think about what Reception children can do compared to what Year 5 or 6 children can do in PE) **and write a plan for what you will teach them in your video.**

Task 2

Your video:

**Film yourself teaching the PE lesson you have planned** in the same way that Mr Rossetti does his. Watch the videos for inspiration if you need to.
