Using your work from yesterday (the 10 things you described) and the video to help you, **write a setting description about Pandora.**

I have used the following two images from the video because I find them the most inspiring. You might choose to do a different part of the video.

You should write about a page, using paragraphs.

You could start like this if you're not sure:

Against a backdrop of planets and moons, a long vine draped in moss and grass strung its way across the sky. Miniscule dots darted across it like a mini family of ants.
