An **expanded noun phrase** is a noun which has had description added to it to expand it and make it more interesting.

For example:

(noun) **an elderly lady**

(expanded noun phrase) **a frail elderly lady** hunched over her shopping trolley.

(noun) **the tree**

(expanded noun phrase) **the majestic tree** covered in vines and blossom

Task 1: Have a go at expanding the following nouns in the same way:

a bunch of flowers

the baby

the snow

a mountain

an elephant

some children

a gorilla

the spaceship

a car

the soup

Task 2: Year 4 watched an amazing video for their learning on Friday. We want you to write 10 expanded noun phrases about 10 different things you see in the video called Pandora on this page: <https://tinyurl.com/HannahMore>

You could write about the waterfalls, the floating rocks, the planets, the creatures and more!
