Task 1

Watch this video and answer the following questions about it.

<https://www.bbc.co.uk/bitesize/topics/zshp34j/articles/z6m7vk7>

1. What does she do instead of buying plastic bottles?
2. What does it mean to be **sustainable**?
3. What does it mean if something is a 'single use plastic'?
4. Why is it a problem if things don't get recycled?
5. Decomposing means **breaking down naturally and eventually disappearing**.
How long does it take a plastic bag to decompose?

Task 2

Design a poster explaining why it's important to use less plastic.

Here's an example of a good one!

- Make sure you fill the page as much as possible. . .
- . . .but keep it clear and simple!
- Use drawings and images (from magazines etc)
- Use big clear lettering
