

Friday – 5 past and 10 past

When the **minute hand** (longer hand) is pointing to the 1 it means 5 past.

When the **minute hand** is pointing to the 2 it means 10 past.

At 5 past and 10 past the **hour hand** (shorter hand) will be just past the hour.

5 past
Minute hand is on the 1.
Hour hand is just past the 8.
The time is 5 past 8.

Ten past
Minute hand is on the 2.
Hour hand is just past the 8.
The time is ten past 8.
