There are 3 different ways that we can spell 'there'!

they're

their

there

They're – this is a contraction of 'they are'.

Example: **They're** going to the beach.

Their – this means something belongs to them.

Example: **Their** coats are on **their** pegs.

There – this is the most common there. Use this there if it is not 'they are' or 'their'.

Example: Over **there**. **There** was...
