9) I have 2 notes in my hand. What total amount could I have? Can you find all the possibilities? $2 \times £5 = £10$ $2 \times £10 = £20$ $2 \times £20 = £40$ $£20 + £5 = £25$

$£20 + £10 = £30$ $£10 + £5 = £15$ are all the possible amounts.
