The old man in the Tin Forest dreamt he lived here:

And every night the old man dreamed. He dreamed he lived in a jungle full of wild forest animals. There were colourful birds, tropical trees, exotic flowers, toucans, tree frogs and tigers.

If you could be anywhere, where do you dream you could be? Draw a picture and write a short description. See Miss Burnett's example:

I dream I could be on a sandy, golden beach with tall, lush green palm trees that shade me from the bright blazing sun. There would be a glistening, diamond blue sea filled with shimmering fish and playful dolphins swimming. The sky would be cloudless and filled with flying, exotic and colourful birds singing.

Remember you can pick anywhere. Here are some ideas:
a park, a jungle, a funfair, the sea, another planet, at a family members house, in a palace.

Challenge: Can you use the power of three?

_____, _____ and _____
