

Wednesday

1. Now you have listened to and read the whole story can you answer these questions in your English book?

- Did you enjoy the story? Why/ why not? 👍 🙄
- What was your favourite part of the story? Why?
- How did you feel at the end of the story? Why?

2. Now you know the whole story can you act it out? Start at the beginning – you can use the text to help you but try and remember as much of the story as possible on your own.

When you are acting out the story think about...

- what you might say as the Robot
- how you might move like the Robot
- how you might show your feelings through your face

Challenge

Can you find someone who doesn't know the Robot and the Bluebird and tell them what happens in the story? It could be a brother or sister, you could phone a grandparent or film yourself telling the story and send it into school! Try and remember as much of the story as possible when you are retelling it.
