

1. Answer the questions about this section.

On one pants-pinching mission,
As the aliens zoomed through space,
Their spaceships shook and wobbled,
Ooooh! Their hearts began to race.

- a) Find and copy the alliteration.
- b) Were the aliens going fast or slow? How do you know.
- c) Find and copy a word that shows the journey wasn't smooth.
- d) Were the aliens hearts actually racing? What do you think the author means by this sentence?

2. The author writes a list of places the aliens stole underpants from. Write 2 of the places they found them in.

3. Answer the questions about this section.

So should your pants go missing,
There's no need to make a fuss,
Let the aliens have their fun
They've done SO much for us!

- a) Find and copy the two words that rhyme
- b) Think of one other rhyme to go with those words.
- c) Why has the author written SO in capital letters?

4. Here are some quick facts about planet Mars. Answer the questions using these facts.

Mars Quick Facts	
Size:	6,779km
Moons:	2
