L.O: Use a range of different strategies to work out the meaning of new words.

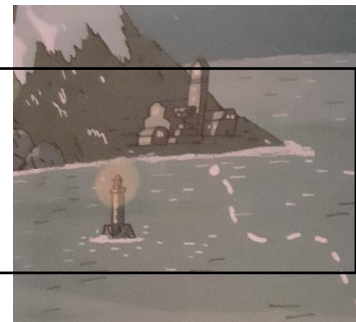

1. What does the word **harsh** mean?

That night Arthur thought about the **harsh** words of the townsfolk.

2. What does the word **harbour** mean?

He climbed out of his bedroom window and headed for the **harbour**.

3. What does the word **intently** mean?

4. What does the word **ravage** mean?

5. What does the word **tremble** mean?

6. What does the word **refuse** mean?

The warrior god listened **intently** as Arthur recounted the fate of his town. "The wolf is Fenrir and has **ravaged** many villages over the past years. You must help me capture the beast," said Thor. Arthur could only **tremble** in his boots but before he could **refuse** Thor handed him two glass bottles and sent him on his way.

7. What does the word **getaway** mean?

Arthur captured the sound then made a quick **getaway**.

Challenge

Tale and tail are homophones. What are their different meanings?
