

How to make a peg doll

You will need:

Wooden dolly peg
Pipe cleaners
Rubber band
Felt tips
Fabric
Decorations eg beads, buttons and sequins
Wool
Glue
Scissors

How to make:

1. Use the felt tips to draw a face onto the peg.
2. Cut out a circular piece of fabric. The radius must be the height of the peg.
Cut a small hole in the middle.
2. Pull the fabric over the head of the peg.
3. Use the rubber band to hold the material in place.
4. Use a pipe cleaner and wrap it round the back of the doll to make the arms.
Glue into place at the back.
5. Cut lengths of wool for the hair. Glue onto the head.
6. Add beads, sequins etc for decoration.
7. Give your new friend a name!
